

COVID-19 SWAB RESULT & FIT TO FLY CERTIFICATE

Patient Name

has performed a Real Time (RT) COVID-19 PCR Swab organised by Medicspot to detect SARS CoV-2.

CERTIFICATE DATE: 18th October 2020

DATE OF BIRTH: 1st December 1996

GENDER: M/F

SWAB SAMPLE TAKEN: 16th October 2020, 11:35:00

SARS CoV-2 (COVID-19) Test Result:

NOT DETECTED

This result was produced using a real time (RT) PCR assay from an oropharyngeal and nasopharyngeal swab analysed at 20/30 Labs, 6–8 Osyth Close, Nottingham, NN4 7DY. This lab is accredited by the United Kingdom Accreditation Service (UKAS) with accreditation number 4236 and in accordance with ISO 17025. Medicspot is a Government-approved healthcare institution as per the registration with the Care Quality Commission (2608070379), the independent regulator of health and social care in England.

Based on this report, the patient did not have any evidence of an active COVID-19 infection on the test date.
